

Heart to Heart – December 2011

Christmas is coming soon and we are getting ready to celebrate the birth of Jesus Christ together with the old people from Heart to Heart.

As usually around the holidays the number of people attending the Day Center is increasing. More old people, new ones, come to us hoping for some hot food and hoping for some winter clothes.

We also had families with children wearing sandals at minus 1 degree Celsius that came by our office and asked for food. And it is incredible hard to turn them down trying to keep our focus on the old people.

The biggest request we have this winter is for wood for fire.

One of the old man that comes to the day center, who sleeps on the street asked us to pray for a warm winter, otherwise he will not survive. We would like so much to be able to help him pay rent somewhere!

We are so grateful for the lorry received from our friends Chris and Gabi Hamby from England. Grateful for the clothes, for the shoes, for the blankets and for the food sent. These items will save the lives of some of the people this winter.

We

don't want to be all pessimistic, though this is the reality we face – there are more people with more needs and our resources are so limited.

The good news is that even through this time of many changes at Heart o Heart, even through the times of many needs there are people that find hope and find life in Christ.

Last Sunday in church three old people that started attending Heart o Heart gave their lives to God. Again, this made us say once more – that it is worthy! As long as people are becoming Christians and their eternal destiny changes – it is worth. Both our work and struggle and your generosity there in England, or in Sweden!

Please continue to pray for us – pray for finances for wood for fire for those that cannot afford this;

Please pray for Marin, who is 78 sleeps on the street. Pray that we will be able to help him find somewhere to rent and we will be able to pay part of it.

Also please pray for this Christmas – we will celebrate it next week at Heart to Heart and we want to be able to give people a good meal and also something that they can take home for them – that can keep them for few more days.

But pray also for this celebration to be an opportunity for those that don't know Christ to receive Him in their heart!

We are grateful to God for the guidance He gave us through this year and that He helped us find a formula of work that makes it possible to keep the work going. Thank you for your prayers and for all your support.

God bless you and we wish you all a blessed and happy Christmas!

Love Traian and Elena
